What is the NAD YAP?

The NAD YAP competition is an exciting and challenging national contest for deaf and hard of hearing youth, who are between the ages of 18 and 30. Contestants will compete against each other to determine who gets to be the next NAD Youth Ambassador. The competition includes proposing a **strategic plan to address a social issue or implement a new business idea or business start up** that would benefit the deaf and hard of hearing community.

The winner will take home **\$8,000**, win the title as “Youth Ambassador,” and engage in prime networking opportunities.

More importantly, the Youth Ambassador will get a chance to implement the winning strategic plan proposed during the competition!

What can your state/ local association and affiliated organization do?

The NAD encourages state/local associations and affiliated organizations to sponsor and send a YAP representative to compete in the NAD YAP competition! Send your best and brightest youth to be your ambassador at the NAD YAP competition! State/ local associations and affiliated organizations should organize an event or contest to determine or select individuals that will represent you at the NAD YAP competition. Your organization does not need to have the same kind of contest as the NAD YAP to choose your YAP representative. There are many ways to choose your YAP representative, including through informal or formal events.

Here are two suggestions for selecting your YAP representative:

1. Host a formal competition: invite interested participants to compete in your own YAP competition, which can include three competition rounds. The three rounds can include the following tasks for participants (You can choose one, two, or all three of these rounds):
 1. Submit competition applications, including videos
 2. Appear for an interview (either in-person or through videophone)
 3. Perform on-stage at the state association or affiliate organization conference and/or events
2. Host an informal competition (especially if you have a limited budget), where you ask interested participants to submit applications with videos. You can select your association or organization representative based on the applications and videos.

The NAD YAP does not require that you follow a specific criteria in hosting your own YAP selection event, whether it is formal or informal. Your organization can choose to do what fits your budget, timeline, and schedule.

Once you have selected your organization's representative, please contact nadyap@nad.org for further instructions.

- XI. **Membership**—the representative is required to be a member of the NAD by Round Two. Please visit <https://www.nad.org/join/> and sign up to become a member.

You have a winner to send to YAP as your representative! What's next?

- 1) The first step is to have your representative apply for the NAD YAP competition. The application will become available online on nad.org/youth/youth-ambassador-program/. If you don't see the application, please contact nadyap@nad.org.
- 2) If your representative is selected for the YAP Competition after Round 2, congratulations! You will need to discuss with your representative about funding for the costs of attending the YAP Retreat and NAD Conference. YAP participants are expected to pay for the following:

YAP Retreat (June 28 - July 1, 2020)	TBD
Airfare (June 28 - July 5, 2020)	Roundtrip airfare depends on locations

You can discuss with your participant if they are willing to share room with your company/ organization. Please contact us if you are interested in sharing a room with other selected YAP contestant.
Conference Registration	Cost will be shown when registration opens.
Meals	Per diem. It is up to your company/ organization to cover their meals. YAP participants will be expected to sign up for the Youth Luncheon.
Spending Money	Contestants may need additional spending money for their own needs. It is up to the sponsor to determine if the sponsor will cover these additional needs.
NAD Membership	It is up to the sponsor to pay the NAD membership (\$25) for your representative or have the representative pay for it themselves.

Fundraising:

We understand that the trip to the YAP Retreat and the NAD conference can be expensive. We strongly encourage your organization, along with your representative, to fundraise for these costs for the representative to attend the YAP Retreat/ NAD Conference. Here are some fundraising ideas:

- Host a mystery night or spaghetti dinner
- Do a Car wash
- Host a product fundraiser
- Host a garage sale
- Conduct a Bake sale
- Host a fundraising dinner at a local favorite restaurant
- Do a birthday gift/ holiday pledge

There are plenty of ideas, you can be creative!
